

# UMAIR ALI GOPANG

FRONT-END DEVELOPER

I am a front-end developer with a strong background in HTML, CSS, and JavaScript. I have a keen eye for design and user experience and can create responsive and interactive web applications. My understanding of web performance optimization, cross-browser compatibility, and accessibility standards allows me to build web solutions that meet client requirements and exceed user expectations.

## EXPERIENCE

- Internship at projexel as a web developer
- GYM Managment System project using HTML, CSS, Javascript, Bootstrap and Php
- Landing Pages using HTML, CSS and JavaScript
